**NOTICE OF AVAILABILITY OF AMENDED TEXT**

On August 11, 2006, the Insurance Commissioner issued a Notice of Proposed Action, proposing the adoption of regulations governing the Health Care Language Assistance Program. The proposed regulations comprise the new Article 12.1, §§ 2538.1 through 2538.8 of Title 10, Chapter 5, Subchapter 3 of the California Code of Regulations. On October 25, 2006, the Insurance Commissioner issued a Notice of Availability of Revised Text to the proposed regulations.

**PUBLIC COMMENT INVITED:**

The Commissioner plans to make changes to proposed section 2538.2 (k) and (l); section 2538.3 (a), (b), (c), and add subsection (e); make changes to proposed section 2538.5 (b) and (c); section 2538.6 (d) and section 2538.7 (a). Written comments are now solicited on those changes only. The Commissioner believes the changes made are sufficiently related to the original text that the public is adequately placed on notice that the change could result from the originally proposed regulatory action. Accordingly, pursuant to the provisions of California Government Code Section 11346.8(c), the Commissioner is soliciting written public comment on these changes.

A copy of the proposed sections to be revised, with the proposed changes clearly indicated, will be available for public comment and inspection for at least 15 days before the proposed action is adopted. **Deletions are indicated in strikethrough; additions are underlined.**
